

## **BULK STORAGE SERIES EASY PRODUCT REMOVAL IN HALF THE TIME**

Container Tilters allow you to tilt containers to their corners for easy product removal. Our Tilter units work on as little as 60 PSI and have been designed to load at floor level or low profile. An optional patented safety locking system keeps safety in mind. Also, by activating the hand button, the regulator will automatically tilt at a predetermined weight. For materials that will not flow at angles over 52°, we offer a vibrator option.
